Our Story

CHILDBIRTH

One of the most exciting times in a woman's life comes with many unknowns and uncertainties.

What is the best for healing my body?

Will I be able to breastfeed my baby?

How will I go back to my pre pregnancy body weight?

How can I support my baby and be a good Mom?

...

That's where Motherina comes in.

During pregnancy and after birth a mother, is constantly researching, reading, asking friends, family as she wants to know what products and services she will need for an easy transition into parenthood.

Motherina creates an ecosystem where she can attain all the advice, consultations, products and services she needs; all set up and designed by professionals, doctors and industry veterans.

Postpartum is as important as pregnancy, it's about the Mom as much as it's about baby. This 40 days period is a time of great physical and emotional changes which every mother and baby has to go through.

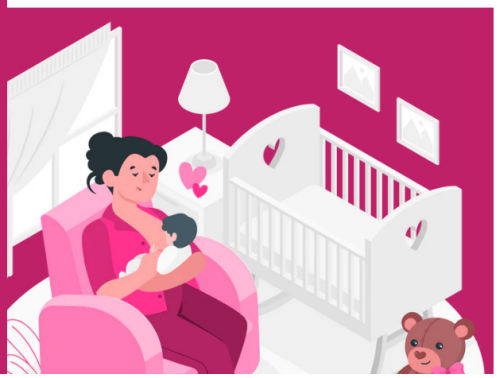

Lots of feelings can exist and at the same time she feels attached and longing for space, optimistic and wary, proud and lonely at the same time while she is adjusting to a new way of life, a new body and so much more.

We want women to feel in their hearts and their lives that they are not alone, and this amazing transformation into becoming a mother is celebrated.

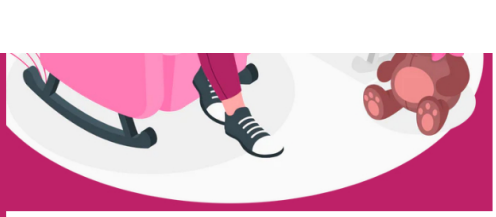

Our Founder

Dr Shalinta Tyagi is a Women's Health Physiotherapist, Childbirth Educator (Lamaze and Hypnobirthing Institute) and a Lactation Counsellor.

She has 16 years of experience working with Pregnant and Postnatal mothers helping them throughout their pregnancy and new motherhood weeks. From giving them advice on posture and exercises during pregnancy to help them learn about childbirth and lactation she assists would be

parents at different stages of their parenthood. She is a postnatal rehab specialist and helps newly delivered mothers to overcome physical and emotional discomforts.
